*No pitcher shall appear in a game as a pitcher for three consecutive days, regardless of pitch count. Pitchers reaching their maximum number of pitches in a day while pitching to a batter, may finish pitching to that batter before being removed. Once the umpire-in-chief signals "play" to the pitcher, that pitcher shall become the pitcher of record and their pitch count begin at that point. A pitcher is charged with the number of pitches in the specific calendar day and week in which they are pitched, regardless of whether they are local organization league games, the playoff of postponed games or suspended games, tie games, or exhibition games. Rest is calculated as per calendar day. Any pitcher withdrawn from the mound and/or lineup, or a pitcher who is withdrawn from the mound and stays in the game at another position, shall not be permitted to pitch again in the same game.

Days rest is calendar days. Example if a pitcher pitches 37 pitches on a Monday they are ineligible to pitch on Tuesday and Wednesday. They can pitch again on Thursday.
